Please note that we rarely can fill requests for specific titles. We almost never have books on Wiccan spirituality, Freemasonry, urban fiction or legal dictionaries. Our inventory varies and is dependent on the books that are donated to us.

Prison Book Program – Website Request
c/o Lucy Parsons Bookstore
1306 Hancock Street, Suite 100
Quincy, MA 02169

How PBP Works:

- The books are a free gift to the person receiving them. They do not need to be returned to the Prison Book Program.
- There is no charge for sending books. Donations to support our program are greatly appreciated but not required.
- PBP works to fill book requests as quickly as possible, however we often have a 3-6 month backlog. We understand how eager you are, but please be patient with us. Requests are filled in the order received.
- Each prisoner is limited to two book shipments per year. Please do not write us more than once every six months or have multiple people send in additional requests. Additional requests will be ignored.
- We provide books to individual prisoners. We do not provide books to libraries or to administrators.
- We do not have a catalog, offer pen-pal services, or maintain a mailing list.
- **We do not send books to: California, Maryland, Michigan, Nevada, Texas, and a few individual prisons.** Please visit our website for a list of other “books to prisoners” programs, as other programs may have approval to serve these locations
- All requests must be mailed to us. We do not accept book requests by email or phone.

Books Available

- The books we provide are donated by many generous individuals and organizations. What is available varies and depends on what we have in stock when we fill the request.
- Prison Book Program rarely has Bibles or books on: real estate, small business start-up, chess, drawing, almanacs, Spanish/English or medical dictionaries, GLBT, large print (of any kind) or westerns. Go ahead and request them as the person may get lucky, but please provide other alternatives.
- We almost never have books on Wiccan spirituality, Freemasonry, urban fiction or legal dictionaries
- Only one dictionary request per person per year will be honored.
- Our free 6-page National Prisoner Resource List and 40-page “We the People” legal primer are available upon request only. Both resources are also available on our website for you to print and mail to the person inside.

Support the Prison Book Program

Prison Book Program depends on the support of generous people like you to provide quality reading material to people across the country. We have thousands of donated books and legions of volunteers lined up to fill requests. The single thing that limits the number of people we can serve is money for postage to mail the books. Please consider making a donation – large or small – to help us help more people. Just \$3 allows us to mail books to another prisoner.

Please accept my donation of:
